

LEARNING ALLIANCE FAISALABAD

Yearbook

2025

PRINCIPAL'S NOTE

As another remarkable academic year concludes, I am filled with immense pride in our students' accomplishments. Their passion for learning and personal growth directly reflects our commitment to providing holistic education. Every milestone they've reached testifies to their dedication and willingness to venture beyond their comfort zones in pursuit of excellence.

This year, students actively engaged in diverse, student-centered activities that honed their interpersonal skills.

Through plays, presentations, monologues, and public speaking events, they cultivated confidence and articulate self-expression. National excursions offered invaluable real-world learning, broadening their perspectives, while literary competitions further refined their talents.

Our students also shone in interschool and internal sports competitions, showcasing agility and teamwork. These events not only build physical endurance but also foster self-discipline. At the same time, Student Wellbeing Department diligently supported students' social and emotional health, yielding significant improvements in their overall development and outlook. I couldn't be prouder of our students for raising an impressive amount at the bake sale and donating it to the Sundas Foundation.

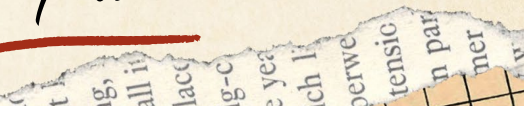

Faisalabad Campus continues its tradition of excellence, securing top honors in prestigious national and international competitions. Our students earned accolades at events like the Aitchison College Science and Engineering Concept (ACSEC), Aitchison Business Concept (ABC), and Aitchison Model United Nations (ACMUN). On a global stage, they made their mark at Harvard Model United Nations and the Southeast Asian Mathematical Olympiad in Malaysia, showcasing their intellect, creativity, and problem-solving abilities.

As a close and supportive school community, we believe education extends beyond the classroom. It shapes character and prepares students to be responsible, compassionate individuals. The success of our graduates, who have secured places at esteemed universities, highlights their perseverance and the unwavering support of our dedicated faculty..

To our students, I encourage you to embrace learning as a lifelong journey. Stay curious, think critically, and develop the skills needed to thrive in an ever-changing world. I extend my deepest gratitude to our faculty, administration, and parents for their dedication and support. Together, we will continue to make meaningful contributions to society. Let us keep striving for excellence!

Zaira Malik

DEPUTY PRINCIPAL'S NOTE

Dear Students,

This year, we bid farewell to the A Level Class of 2025. Their journey with us began many years ago, some of them joined as tiny preschoolers, and now they leave as confident young adults, ready to take on the world. Over the years, we've done our best to provide a strong education, caring mentors, and the kind of learning that stays with for life. We hope they leave Learning Alliance not just with excellent grades, but with strong values, good character, and lasting memories.

To those who continue to be a part of our school, I hope that as you flip through this year's magazine and yearbook, you see yourself as an important part of the Learning Alliance Faisalabad's community. Keep building your academic strengths and pursue activities that truly excite you. But along the way, don't forget, your manners matter just as much. Always show respect to your teachers and uphold the values your families have instilled in you.

My best wishes,

Maira Alzal Nadir

SENIOR VICE PRINCIPAL'S NOTE

The academic year 2024-2025 at Learning Alliance Faisalabad has been marked by extraordinary achievements, resilience, and growth. Our students have consistently demonstrated their ability to embrace opportunities, push boundaries, and emerge stronger with each experience. From academic pursuits to extracurricular activities, the determination of our students has been the driving force behind this year's remarkable successes. Many congratulations to our A-level students on securing placements at prestigious universities around the world!

A crowning achievement of the year is "The Best Large Delegation Award." at the Harvard Model United Nations Dubai. Competing against brilliant young minds globally, our students displayed exceptional debating skills, diplomatic finesse, and leadership qualities. This prestigious recognition reflects the intellectual acumen and tenacity that define the Learning Alliance educational experience.

Our students engaged in a vibrant array of activities that nurtured talent, teamwork, and personal growth. The Senior School Sportacus V showcased remarkable sportsmanship, while Junior School sports honed athletic skills. Public speaking platforms like declamation competitions and MUNs built confidence, and literary activities such as essay writing competitions and spelling tests fostered critical thinking. Performing arts presentations encouraged creativity and collaboration, while educational excursions to cultural landmarks and serene landscapes created lasting memories within our school community

Beyond academic and extracurricular excellence, our students have demonstrated exceptional commitment to social responsibility through numerous community service initiatives, including book and clothing drives, as well as goodwill gestures and charity donations at the Bake Sale. These experiences have cultivated compassion, civic responsibility, and social awareness—values that will serve them well as they grow into conscientious global citizens

Looking at today's generation of students, I'm continually inspired by their adaptive intelligence and innovative spirit. Their purpose-driven approach to learning and genuine desire to create meaningful impact gives me profound hope for our collective future. Yet, in this rapidly evolving world, their greatest assets will be resilience and self-discipline. As we prepare our students for tomorrow's complexities, they should know that students who cultivate empathy alongside academic excellence invariably emerge as the most effective problem-solvers and leaders.

I extend my heartfelt gratitude to our dedicated faculty who consistently go beyond expectation, our supportive parent community who partner with us in this educational mission, and most importantly, our remarkable students who continue to be our greatest teachers. Together, we aren't just building a school—we're cultivating a community where excellence, compassion, and courage flourish in harmony.

With pride and appreciation,

Amena Hareem

VICE PRINCIPAL'S NOTE

This academic year has been a testament to the relentless pursuit of excellence by our O & A Level students, whose remarkable achievements have set a new benchmark for success. Their outstanding performance not only reflects their dedication but also reinforces our commitment to nurturing academic brilliance at Learning Alliance Faisalabad.

This year, our students have brought immense pride to Learning Alliance Faisalabad by excelling in prestigious national and international competitions. They secured the Best Outstation Delegation award at ACMUN XV, demonstrated entrepreneurial brilliance at Aitchison Business Concept XII by winning Ad Making and a Certificate of Distinction in Build Your Own Idea, and earned a Merit Award in SEAMO X (Malaysia). Our students also proudly secured the Best Large Delegation award at Harvard MUN Dubai, showcasing their exceptional public speaking skills, diplomacy, and commitment.

Adding to our academic accolades, our A Level graduates have secured admissions to some of the world's most prestigious universities, including Imperial College London, the University of St. Andrews, the University of California - Irvine, the University of Glasgow, Durham University, UCL, the University of Illinois Chicago, Michigan State University, the Hong Kong University of Science & Technology, and American University of Sharjah. Their success is a testament to their perseverance and the dedicated support of our faculty.

As we reflect on the past year, I extend my heartfelt gratitude to our students, parents, and faculty for their steadfast commitment and support, which have been instrumental in propelling Learning Alliance Faisalabad to the forefront of educational excellence. With the foundation of excellence firmly in place, we look forward to even greater achievements and new milestones in the years ahead. Wishing everyone a wonderful summer filled with happiness and inspiration!

STUDENT WELLBEING DEPARTMENT

HEAD'S MESSAGE

Be the Author of Your Own Story!

Dear Students,

One of the most powerful lessons you can learn is this: never allow anyone or anything to define who you are! You are the author of your own story. Stand tall in your truth and take pride in your authenticity. The world needs people who are brave enough to be themselves.

Just as every flower in a garden, every animal in the wild, and every tree in the forest carries its own distinct DNA and makeup, so do you. Your thoughts, your dreams, your strengths, and even your struggles all form the beautiful mosaic that is you. Embrace every part of yourself - your strengths are your power, and your weaknesses are opportunities for growth and understanding.

Be kind and patient with yourself. Growth takes time, and setbacks are not failures but stepping stones! Build on what you do well with confidence, and approach your areas of struggle with compassion. The journey toward self-improvement is never a straight line, but it is always worth it.

Above all, keep kindness at the center of everything you do. It is a strength, not a weakness. Kindness nurtures connection, fosters empathy, and creates a safe space for everyone, including yourself, to grow.

And remember this crucial truth: judgement hinders growth-yours and everyone else's. When we judge others or ourselves, we close the door to progress. Stay as far away from judgement as possible. Focus on your own journey. Everyone is walking a path you may not see or understand. Support others with encouragement, not criticism, and extend that same grace to yourself.

Stay true to your values. With perseverance, self-love, and kindness, you can achieve. Your journey is your own - create it, cherish it.

With love, encouragement, and unwavering belief in you,

Afshan Mirza

Wellbeing Sessions on Diet and Nutrition

Students explored the impact of diet and nutrition during a wellbeing session on healthy living, highlighting how balanced eating supports both physical and mental health.

Exam Anxiety Sessions with Students

Short 20-minute sessions taught students simple strategies to manage exam anxiety, including revision scheduling and deep breathing to promote calm and focus.

Student Wellbeing Lesson on Bullying

Students engaged in a powerful wellbeing lesson by Ms. Shazia on combating bullying and boosting self-esteem. The session focused on kindness, empathy, and creating a judgement-free classroom.

Teachers' Workshop on Classroom Management

Ms. Shazia and Ms. Aiza discussed effective classroom management, highlighting strategies for handling student behavior and emphasizing the link between mental and physical wellbeing.

Teachers' Workshop on Diversity and Tolerance

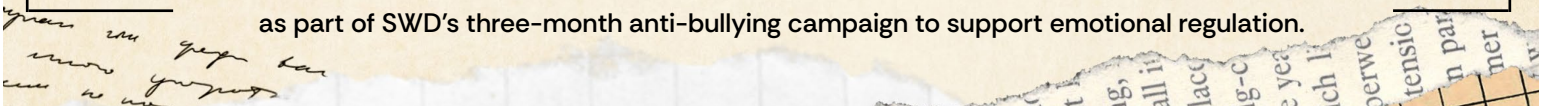

The workshop aimed to instill values of diversity and tolerance in students to foster a respectful and inclusive environment promoting inclusivity.

Breathing and Emotional Regulation Sessions for Students

Ms. Shazia led breathing sessions with middle school students as part of SWD's three-month anti-bullying campaign to support emotional regulation.

HEAD GIRL'S MESSAGE

As I write this, my heart is full—of gratitude, of memories, and of love for a place that has become more than just a school to me. It feels surreal to say goodbye.

I still remember the day I first stepped into Learning Alliance. I was a nervous girl entering a completely new environment, unsure if I could ever call this place home. But over time, these hallways witnessed my laughter, my challenges, and my growth. Today, as I walk out one last time, I find myself pausing at the gate, saying a heartfelt Allah Hafiz to Ramzan Chacha—with a smile and a tear.

Learning Alliance has been more than an institution; it has been a pivotal part of shaping who I am today. The values I carry, the confidence I've built, and the person I've become, it's all rooted here. I am proud and honored to have served as your Head Student.

To Sir Waleed and Mam Amna, thank you for believing in me. Working closely with both of you on countless events has been one of the most enriching parts of my journey. I hope I lived up to your expectations and brought the same passion and integrity to every task that you inspired in me. To Mam Maira, thank you for checking in on my progress, and for your quiet strength.

To Mam Hajrah, thank you for being the energy behind every coordination effort. Your jolly spirit made even the most stressful days feel manageable, and your support meant the world to me.

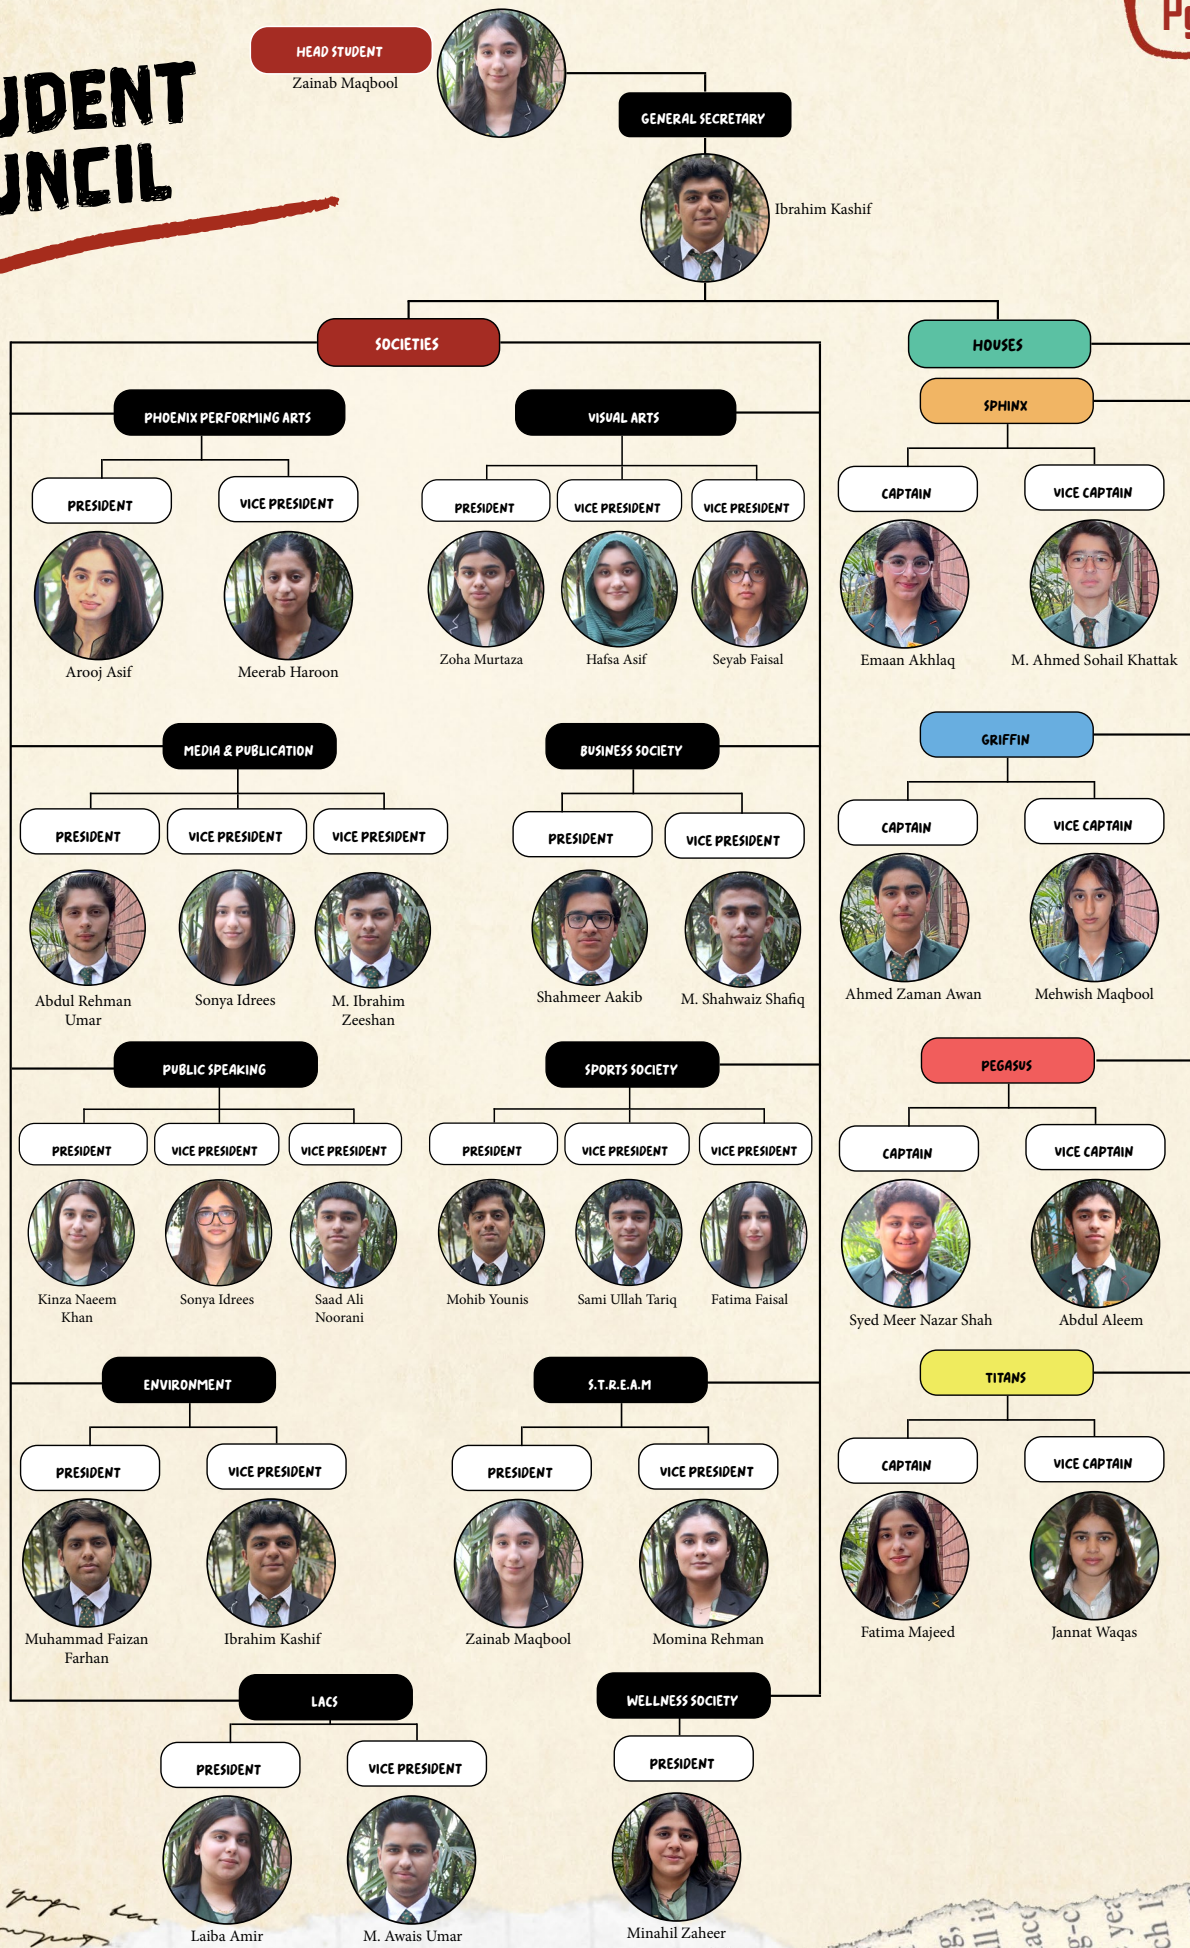

And finally, to my fellow students—my family—thank you. Thank you for the respect, the laughter, the memories, and the unspoken bond we built over these years. You made this journey unforgettable.

As this chapter closes, I carry all of you with me. This isn't just a farewell—this is a thank you for everything.

With all my heart,
Zainab Maqbool
